FREE SPEECH

WHY

OUR FOUNDING FATHERS

GAVE IT TO US.

We need free speech, even though
our language is illegal, for ONE HUGE
BASIC REASON: TO TALK ABOUT ALL
OUR PROBLEMS AS PEOPLE + AS AN
ENTIRE SPECIES. IT IS IMPERATIVE TO
PROBLEM SOLVE; I refuse to live in
a reality where Poverty, Sickness, Death, Crime
Accidents + the like occur, and NOT TRY
TO STOP THEM

As HUMANS, IT IS A BASIC TENDENCY
TO WORK AGAINST SUFFERING, even if
it seems hard. We need our ability
to communicate the nature of our problems,
and we need our free speech to come
up with solutions.

~~the~~ If, as defamation is, we
have problems with our free speech
then Maybe the People of America should
come together to discuss our plight.
Gathering and having Meetings is a basic
human Right + Tactic for problem
Solving.

3

We must not be punished for
using our rights, nor should we use
them to perpetuate the problem.

We DO WAY
TOO
MUCH OF BOTH.

Let us try to stop.
Together.

That is one of the main points
of this
case.

Maybe what happened to Johnny
+ his job at Disney
was unfair; but
it was at
least
equally unfair to
Amber,
to be punished for using
her God-Given
Constitutional Rights.

Her verdict IS ILLEGAL,
WRONG, AND IT NEEDS TO BE
OVERTURNED.
